MEMORANDUM FOR Integrated Facilities System (IFS) Program Manager

SUBJECT: Automated Information System (AIS) Accreditation

1. Reference AR 380-19, Chapter 3, 27 February 1998, Subject: Information Systems Security.
2. I have reviewed the security measures that have been planned and implemented in the areas of security management (that is, software, hardware, procedures, communications, personnel, and physical security) and operation of the IFS and its associated peripherals is considered to be an acceptable risk.
3. Accordingly, type accreditation is granted to store and process Sensitive But Unclassified information in the System High security mode.
4. A reaccreditation is required if any event listed in paragraph 3-6 of reference 1 occurs.
